I will be coming from Seattle. I have never been to Chicago but this is what has been suggested by others

Suggested Hotels

Super 8

7887 West 79th St.

Bridgeview, IL 60455

(708) 458-8008

Its no Four Season but has a bathtub to fill with ice and beer. Mapquest says its 2 miles from TP and rooms are ~\$65

Transportation

<http://www.transitchicago.com/maps/maps/fwebmaptrain.gif>

TP looks to be roughly 5-6 miles from Midway

Alcohol

Of course! Pre funk Tuesday night?

Please post up feedback or anything else that may be useful. Let's show these fools who is king of CONCACAF

Hey Dan,

As far as transportation, it should be fine getting around the city. Now if the preparty is going down at The Globe then I know first hand that city transportation closes early around that area. A cab ride might definitely need to be considered.

Plan on hitting the Globe before and after the game. They will have busses running for about \$15.

Will AO be offering tickets or do I need to go to SA.
